DEDICATE NEW HOSPITAL TODAY

Hon. Lake Lytal To Make The Dedictory Address At 1:30 P. M.

Plans are complete for dedication this afternoon of Everglades Memorial Hospital in Pahokee, according to Board Chairman C. A. Batchelor. Lake Lytal, chairman of the board of county commissioners, will deliver the dedicatory address. Program schedule calls for the ceremony to start promptly at 1:30 o'clock.

Bandmaster Robert Lampi and his Pahokee high school band will have a prominent spot on the program, furnishing four selections during the afternoon ceremony. The band will open the program and close it, also play two selections during the course of the ceremony.

Chairman Batchelor said that invitations had been extended to the citizenry of Pahokee and Canal Point to attend the ceremony and inspect the building immediately following the dedicatory exercises. Arrangements have been made to have the hospital beautifully decorated for the occasion.

Representatives from all civic and fraternal groups have been invited to sit in an especially prepared section for the program. All organizations in Pahokee had a part in putting the hospital idea over the top and officials believe that all should have a part in dedication.

Paul Rardin will be master of ceremonies for the occasion.

If you haven't seen the new hospital here is your opportunity to see it first hand with a guide who will be able to describe the various rooms in detail. Take an hour and a half off Friday (today) and see what is available when you are suddenly stricken with illness.

Mr. Walker Extends Thanks To Citizens

W. P. Walker, who served the people of Pahokee for 16 years as city clerk, made this statement to The Everglades News for publication Tuesday: "I wish to thank the people of Pahokee for allowing me the privilege and pleasure of serving them for 16 years. I shall always hold dear the friendships I made through the years."

Cattle Market To Open With 1st Sale This Afternoon

History will be made this afternoon in the Everglades when the cattle market between Pahokee and Belle Glade opens with its first sale. Between four and five hundred head of cattle will go on the block with Col. Bob Cooper, auctioneer from Sarasota, doing the sale crying.

George Young, manager of the cooperative market, said yesterday that all details have been worked out for the sale and that it should go off without a hitch. A great crowd is expected to be in attendance since buyers are expected from many sections of Florida.

Assistant County Agent H. L. Speer said yesterday morning that opening of the market is culmination of many years effort in the cattle industry to bring about location and opening of a market in the Glades. The county agricultural department has worked closely with members of the cooperative who have backed the market in its embryonic stages.

Among officials to be present are State Agricultural Commissioner Nathan Mayo, SRD Member Merrill Barber of Vero Beach and the majority of the Palm Beach County Commission.

600 Glades Folks Fail To Pay Personal Taxes For Year 1949

Have you paid your personal property tax? If you haven't now is the time! Because, if you don't the man will be around to levy on something that he can sell to raise the amount. The taxes have been due since last November.

An agent of the tax collector is in the Glades this month in an effort to clean up some of the overdue collections. More than 600 persons have failed to pay so far this year, the agent said. He will be seeing 600 people during the month of May, since he is an outstanding collector.

Howell Talks To Canal Point Lions

A. Q. Howell, newly elected member of the County School Board, was guest speaker at the regular dinner meeting of the Canal Point Lions Club Monday night. The subject of his talk was "Lionism."

The Florida Power and Light Company's terms of payment for the proposed street lighting system in Canal Point were discussed at the meeting. Visitors included Mrs. Boyd Vorhees, wife of the president-elect of the club, Ralph Johnson and M. P. Stanley, members of the Pahokee Lions Club. President A. R. Harrington presided.

Canal Point PTA Installs Officers

Members of the Canal Point Parent-Teacher Association conducted their last meeting of the school year in the school auditorium last week and newly elected officers were installed as follows: Mrs. Pope Sears, president; Mrs. Boyd Vorhees, first vice president; Mrs. Loel Lence, second vice president; Mrs. W. K. Buchanan, secretary; Mrs. Joe Calhoun, treasurer; Mrs. C. L. Stuart, historian. Each of the officers were presented with corsages. Mrs. F. M. Wilson acted as installing officer.

On the program, the children of Mrs. Huddle's fourth grade room presented two playlets, "Bicycle Built for Two" and "The Three Bears," and a delightful puppet show, "The Gingham Dog and the Calico Cat." They also had on exhibit a clever display of animal models made at the school with newspapers and clay, decorated with paint.

The monthly attendance award was won by the children of the fourth grade room.

Mrs. Boyd Vorhees, retiring president, presided at the brief business session during which she called for reports from standing committee chairmen.

Following the program refreshments were served in the school cafeteria.

NEW GROUP OF CITY OFFICIALS RUN PAHOKEE

Farm Bureau Group In Annual Meeting

Members of the Everglades Unit of the Palm Beach County Farm Bureau and their families held their annual social meeting and pot luck supper in the Pahokee Woman's Club building Tuesday night.

County Commissioner Paul Rardin spoke on "Farm to Market Roads," telling what has been done to improve the farm road system in the Glades area and outlining some of the plans for the future.

Bob Williams of Hollywood, southeastern representative of the Florida Farm Bureau, talked about the "Brannan Plan" and read an article from Collier magazine in which the author, Allen B. Klein, secretary of the National Farm Bureau Federation, pointed out the prohibitive costs of the plan and how it would tend to interfere with individual initiative.

Also on the program Jackie Sullivan sang several hill-billy songs, accompanying himself on the guitar.

President Robert E. Simonson acted as master of ceremonies. Gene Pickren, Floyd Erickson and Hilton Jones were on the committee in charge of arrangements.

Pahokee Band Tops In State Contest

Bandmaster Robert O. Lampi's Pahokee High School Band won some high honors at the State Band Contest in Miami last weekend. In sight reading, one of the most difficult phases of the contest, the Pahokee band received a first division rating (superior); in marching it got a second division rating (excellent); and in concert playing, third division (good).

PHILATHEA CLASS

Mrs. Marjorie Henderson was hostess to members of the Philathea Class, First Baptist Sunday school, at a meeting at her home Thursday night. Miss Elisabeth Caraway, teacher of the class, presented the devotional program. The hostess was assisted by her daughter, Miss Rose Marie Henderson, with the serving of refreshments.

Mr. and Mrs. Bob Apelgren of Miami spent the weekend in Pahokee with her parents, Mr. and Mrs. O. B. McClure.

A new group of city officials took over management of the City of Pahokee Wednesday night when Lewis Friend was sworn in as mayor and Clyde Alley took over the duties relinquished by Clerk W. P. Walker. James Harry Wilkinson, Dave Cunningham and Robert Simonson were sworn into office as councilmen and Leon Guthrie became chief of police.

Immediately after Retiring Chief Altman Morgan pinned the shiny gold badge on Mr. Guthrie, Patrolmen Ray Urry and C. E. Dickerson handed in their badges. The council in immediate action voted to give the chief power to hire patrolmen temporarily.

In the organization meeting, Hold-over Councilman Leo Wroten was unanimously chosen to serve as chairman of the board. A. J. Gamot, retiring chairman, is the other hold-over member of the council.

City Attorney Thadd Whidden turned in his resignation after serving the city faithfully and well for a period of 16 years.

An unusual but what seemed to be a popular piece of business by the council in their first deliberation was the granting of two weeks vacation pay to the following retiring officials: Chief Morgan, Clerk Walker, Mayor T. C. Richardson, City Attorney Thadd Whidden and Councilmen Frasure, Bacon and Douthitt.

The council voted to retain all city employees at their present salaries until the council has become fully organized.

Council members moved to elect five department heads from the group at a meeting next Tuesday. These will include a police commissioner, water works commissioner, finance commissioner, streets and sidewalks commissioner, and a sanitary commissioner.

Following are results of Tuesday's runoff: Mayor, Mr. Friend, 650; and Mr. Richardson, 314; police chief, Mr. Guthrie, 539; Mr. Morgan, 457; and Albert Gant, 16 write-in votes; councilman, Group 2, Mr. Simonson, 693; and I. J. Frasure, Jr., 261; councilman, Group 3, Mr. Cunningham, 536; and Loren Meredith, 425.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The board of commissioners took the same course as last year in valuing property within municipalities taken by the county for taxes. Asst. County Atty. Henry Lilienthal said that in adopting last year's valuation plan, the county

agreed to fix a 50 percent value on property in all the towns except West Palm Beach, which has consistently demanded 100 percent. Lilienthal said valuations in the drainage district is on an acreage basis. Only Riviera Beach was represented at the meeting on the valuation subject.

The board went along with a proposal by Commissioner John Prince, requesting a checkup shortly on funds available for the various phases of county jail construction. Commissioner Prince said that as the jail construction progresses, bids for some small contracts might be let so installation can be made at the proper time.

On motion of Vice-Chairman Paul Rardin, a request of the Lantana Flying Service for a readjustment in the annual rental of the airfield was referred to the aviation committee of the board.

The board placed on file a report made by the recent grand jury, and Chairman Lytal pointed out that the jury had recommended that the county take steps when possible to build a new white children's home.

In addition, the commission received a report from the Inland Navigation District, showing funds on hand of \$251,759.08 and noting that no taxes were levied in 1949, and also received and filed monthly reports from the County Agricultural and Home Demonstration departments and the County Health Department.

The commissioners gave authority to County Attorney Harry Johnston to take whatever action is necessary in a suit brought by the Boca Raton Housing Co. against the county. Johnston told the board that the action was an attempt to set aside a final decree in a tax foreclosure suit and added that he had just been served with a summons in the case.

"Sands of Iwo Jima" is a real war story. There is no half way measure about it. It uses actual pictures shot right on that famous beach during that crucial battle that brought such heroic triumph to the Marines.

John Wayne is the star of the story that relates experiences that happened to your boy and mine

during those terrible days. Adele Mara, a beautiful star and grand actress, furnishes the romantic angle of the picture, while John Agar and other boys and girls bring laughter and tears in this fine story. Forrest Tucker, veteran actor of stage and films, turns in one of his finest performances in this piece.

Yes, "Sands of Iwo Jima," which comes to the Pince Theatre, Sunday-Monday, will be one of the greatest war stories you have ever pictured in your wildest imagination.

See you at the movies—Mal.

More Skeeter Cash Sought For Control

West Palm Beach—Two resolutions seeking state and federal funds for mosquito and sand fly control, were received by the Palm Beach County Commission Monday.

The resolutions were submitted to the commission by E. L. Seabrook, head of the county mosquito control unit. The measures were passed by the state mosquito control organization at Ft. Myers.

One measure asks that state funds, approved by the last legislature but never appropriated, be made immediately available for mosquito control work.

The second asked that federal funds for sand fly control, turned down by Congress, be reconsidered and put back into the federal budget.

Seabrook also advised the commission that a pump and DDT chemicals valued at \$3,146, had been turned over to the county by the state.

Mrs. Geiger Named Head Woman's Club

Mrs. V. L. Geiger was elected president of the Pahokee Woman's Club at a luncheon meeting held Tuesday in the clubhouse with the retiring president, Mrs. W. H. Jones, Jr., presiding.

Other new officers chosen for the coming year were Mrs. Norman Kennedy, vice president; Mrs. Rupert Mock, second vice president; Mrs. G. H. Tucker, Jr., recording secretary; Mrs. Lewis Friend, corresponding secretary; Mrs. Violet Hall, treasurer; Mrs. R. J. Schroder, parliamentary, and Mrs. M. I. Keen, auditor.

Mrs. John H. Sutterfield and Mrs. Dean Wilson were received as new members.

Mrs. Frank Friend gave a report on the State Federation meeting which she attended recently in Tampa. Mrs. Norman Kennedy reported on the County Federation meeting held in West Palm Beach Monday at which time Mrs. Friend

was elected president and Mrs. Kennedy, recording secretary, of the County Federation.

The club voted to send a resolution to our U. S. Senators protesting the shipment of fresh vegetables into the United States from foreign countries at the present low rate of tariff.

Delinquent Land To Be Sold June 1

You may think you have all your taxes paid, especially if you think your home is homestead exempt. Publishing of the 1949 delinquent tax list last week brought to light the fact that many folks in the Glades haven't paid the small Everglades Drainage District assessment that went on top of the homestead exemption in 1949.

Harold Rosenberg at the Pahokee Drainage District office will be happy to look over the list (he has one in his office) if you will call him and see if you owe anything. The delinquent lands are being advertised for sale the first of June if they are not paid now.

WILBUR C. KING

SAYS:

With all the gratitude of my heart I want to sincerely thank the good people of Florida for the wonderful vote they gave me in the first primary in my race for re-election as a member of the Florida Railroad and Public Utilities Commission. You gave me more than 225,000 votes — nearly 100,000 more than my nearest opponent — and we lead in all but four counties. I want to thank you for that support and urge you to go to the polls again on May 23rd and give me a second term in the office that I have worked so hard to fill in the interest of all the people.

THANKS FOR EVERYTHING!

Mud Lake Gets "Cleared Up"

County officers got a notice from the government not long ago, asking them to change the name of Mud Lake. Seems it's a pond, not a lake, by government standards.

Because it lies entirely inside our town limits, we asked to do the name-changing ourselves. Figured we'd think up a brand-new name. Mud Lake's really not very muddy — sort of pretty, in fact.

County people said go ahead, so we held a Town Meeting. Everyone suggested something. Windy Taylor thought "Taylor Pond" would be nice, because his place borders

it—for about 30 feet! But we finally decided to call it "Turtle Pond" in honor of the real owners.

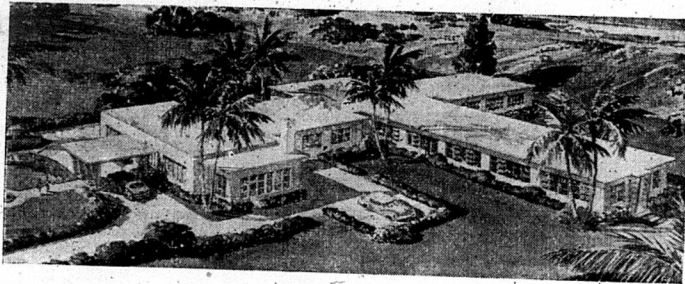

From where I sit, naming that pond wasn't the most important thing in the world—but the way we did it was. Everyone offered his opinion and then the majority vote decided it. That's the way it should be—whether it concerns naming a pond, or having the right to enjoy a friendly glass of beer or ale—if and when we choose.

Jean Marie Wilson Weds Milton W. Salvatore On May 6

Miss Jean Marie Wilson, daughter of Mr. and Mrs. John E. Wilson of Pahokee, became the bride of Milton W. Salvatore, son of Mr. and Mrs. Carmen Salvatore, Sr., also of Pahokee, at a candlelight ceremony held in the Pahokee First Methodist Church Saturday, May 6, at 6 p. m. Vows for the double ring ceremony were read by Rev. Ralph W. Todd, pastor of the church, as the couple stood before the altar which was decorated with white gladioli and palms and lighted by white tapers in graduated candelabra. The pews were marked with white satin bows with gladioli clusters.

A program of nuptial music was played by Mrs. William McClenithan, organist, Miss Joyce Fields, soloist, sang "O Promise Me" and "Because," accompanied by Mrs. McClenithan.

The bride, given in marriage by her father, wore a smartly tailored white suit with navy accessories

and carried a white prayer book with satin streamers. Her corsage was of white orchids.

Miss Loretta Wilson, sister of the bride and maid of honor, wore an aqua suit, styled similarly to that of the bride, with matching accessories and a corsage of carnations.

Carmen Salvatore, Jr., was his brother's best man. Dean Wilson, brother of the bride, and Frank Gillis, acted as ushers.

Following the ceremony a reception was held at the home of the bride's parents. Mrs. Dean Wilson, the bride's sister-in-law, presided at the punch bowl while Miss Ona Humphries served portions of the bridal cake to the guests. Mrs. Carmen Salvatore, Jr., was in charge of the bride's book.

Following a brief wedding trip Mr. and Mrs. Salvatore will make their home in the Nola B. Smith apartment in Pahokee.

When Kingston and his mother plan a visit to find out the truth the supposed hillbillies dress up to meet all bad expectations and what a reception those guests experiences. CHURCH OF CHRIST, SCIENTIST

"MORTALS AND IMMORTALS" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientists, throughout the world on Sunday, May 14.

The Golden Text is: "They that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit" (Rom. 8:5).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof: but he that doeth the will of God abideth forever" (I John 2: 16, 17).

The Lesson-Sermon also includes the following passage from the

Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (491:12).

Thadd Whidden After 16 Years Quits City Job

City Attorney Thadd Whidden turned in his resignation to the council Wednesday night after serving the city and its taxpayers for 16 years. During that time Attorney Whidden has done an outstanding job and the fact that it was realized by the council was shown in a complimentary resolution adopted after he had tendered his resignation. His letter of resignation follows:

May, 10 1950

Members of the City Council
City of Pahokee,
Pahokee, Florida.
Gentlemen:

Having had the honor and pleasure of serving the City of Pahokee as City Attorney for 16 years, I believe the time is propitious for me to tender my resignation. You will please accept my resignation as of this date.

Through the years that I have been engaged by the Council in an official capacity it has been a happy relation that I've enjoyed with the various members who were elected from time to time. I have found them always

of a cooperative mind insofar as my office was concerned.

Being familiar with the duties of the City Attorney's office, I want you to feel free to call on me for whatever information I may be able to give in coming months. I shall always deem it an honor to be of service whether it be in an official capacity or as a layman.

I want you as members of the council, the mayor and city clerk to know that I wish for each and every one of you only the very best of success during your tenure of office. I feel that I should devote more time to my private law practice, therefore, this letter of resignation.

Very truly yours,
Thadd Whidden

Contest Planned By Choir Groups

Members of the Pahokee First Methodist Senior Choir have started a contest to improve the choir and arouse new interest in its activities.

The choir membership has been divided into two competing groups: the Highs, including sopranos and tenors, and the Lows, altos and basses. From now until May 31, when the contest ends, the two groups will work for points. Individual attendance will count 10 points; 100 per cent attendance by sections of choir practice on Wednesday nights, 100 points; 100 per cent attendance by sections on

Sunday nights, 200 points; new members brought in during the contest, 50 points per member; special outside work, 20 points; junior sponsorship, 5 points, and to reach dollar collected in payment of the new choir robes, 5 points.

Tentative plans call for a social gathering at the end of the contest with members of the losing side acting as hosts. Mrs. Mildred Todd is director of the choir.

Mrs. Altman Morgan has returned from Kansas City, Mo., where she attended a Lutzer makeup festival.

RECENT OPERATIONS

By Paul Rardin.

Whew! That's another Pahokee city election in history. I believe it fished up more interest than any such happening in the past 20 years. A quick run-down: Clyde Alley in the clerk's office, Leon Guthrie wearing the bright shiny gold police chief badge, Robert Simonson, Dave Cunningham and James Harry Wilkinson on the council with Lewis Friend as head man—the mayor.

We've heard a lot of preaching. We had a lot of promises. Now let's see a little action.

I saw Red Godwin in Pahokee election day so I asked him about his race for chief of police several years ago. He said he received three votes in that race and eight the time he ran for mayor.

Pahokee's swimming pool is a popular spot these days. Hundreds of youngsters are enjoying the cooling waters of the huge pool. It is attractive in its new coat of paint—blue interior and green exterior.

Big time tennis was enjoyed on the new Pahokee courts Sunday afternoon. Rupert Mock and the Lions club arranged the matches between some outstanding players from Miami. Glades tennis players were given a wonderful display of the nationally famous and interesting sport.

Here's the way H. L. Spaer, assistant county agent, sums up this season: "About 25 percent of the farmers lost money, about 25 percent made big money and the remaining 50 percent broke even."

Local corn growers are finding out that a lot of things can happen to green corn before it can be converted into cold hard cash on the local or northern market. Certain types just don't fill out on the end properly—throwing it out of grade. I'm told this is only one of the 99 different things that have been happening during the present harvest season. The federal inspectors have their book to go by—and the corn must come up to specification or else.

I can remember when only a handful of fellows grew celery. They made a little money then a lot of fellows grew celery. They busted the celery market. Last year only a few fellows grew corn. This year a lot of fellows grew corn. What they did to the corn market is local history. Ask the fellow who grows some.

Have you noticed what the boys down at Pahokee Mill and Supply

Company are doing to shine up their place? The office and shelf hardware department is really outstanding. Now, they are busy rebuilding the lumber shed. With the office covered in asbestos shingles and a new coat of paint the spot is quite attractive to the passerby. The boys say their prices are attractive to the interested purchaser.

Will Ask All Cities To Work Out A Plan For Elections

Palm Beach County communities that use county voting machines for municipal elections will be asked to arrange elections so that all county voting machines will be available for county elections.

This request, according to County Commission Vice Chairman Paul Rardin, will be considered by the Palm Beach County League of Municipalities. The request was the outgrowth of the recent county Democratic primary which fell on the same date as some municipal elections, causing a shortage of voting machines. The county furnishes voting machines to the municipalities.

Other election clean-up items handled by the County Commission Monday, included:

Authorization of payment for some 300 poll workers who handled the election.

Hearing a report from J. L. Turnage, county voting machine custodian, that the second county primary will be held May 23 and that a total of 62 voting machines will be in use. Absentee ballots for the May 23rd election—the Republican primary—are now available.

The commission also extended their appreciation to the poll workers for what was termed as "conducting one of the best handled elections ever held in the county."

Circuit Court Clerk Alex Arnette advised the commission that a Republican office candidate identified as Walter Geer had not filed an expense account as required by law. The commission said Geer's name would be left off the ballot, a procedure required when candidates do not file expense accounts.

Former Belle Glade Clerk Gets 2 Years

WEST PALM BEACH — For embezzling \$13,645 of town of Belle Glade funds, Alva LaFayette Wallis, former city clerk and tax collector there, was sentenced to two years in the penitentiary Tuesday.

Judge Edward G. Newell meted out the penalty in criminal court after Luther Jones, newspaper publisher and other citizens had pleaded that Wallis be put on probation or given a suspended sentence rather than be sent to prison.

Mrs. Dulany Thanks Census Enumerators And Area Citizens

Mrs. Miriam L. Dulany, Crew Leader for the Glades area of the 1950 Federal Census, wishes to express to the citizens of Canal Point, Sand Cut, Bryant, Pelican Lake and surrounding areas, a sincere "Thank You" for the splendid cooperation given to her and the enumerators during the recent census taking. Mrs. Dulany also stated that they were deeply appreciative of the publicity given

to the census work by The Everglades News.

Mrs. Dulany completed her appointment as Crew Leader on May 4, at which time the enumeration of the citizens of the Glades area was completed with the exception of two colored districts in Belle Glade, in which two colored enumerators are still working under the direction of Herman Close, Assistant District Supervisor.

If anyone was omitted from the enumeration they are requested to drop a card to the District Office, Bureau of Census, Palm Beach International Airport, West

Palm Beach, and they will be sent a form on which to be enumerated.

Mr. and Mrs. Charles A. Baker and daughter, Linda Carol, left Monday for their home in Jacksonville after a visit with her parents, Mr. and Mrs. B. W. Wood. They were accompanied home by Mrs. Wood who is their house guest this week.

Mr. and Mrs. Wendell Harris and daughter, Fay, left Friday for a visit with her brother and sister-in-law, Mr. and Mrs. John Strickland, in Waynesboro, Ga.
